Description

This drill is a variation of the typical 3 on 3 cross ice game. In this variation coaches, or designated players, are placed on each side as shown in the diagram. These coaches (or players) are used as outlets for each team. Therefore, when a team has control of the puck they will have a 5 on 3 advantage because they can use either of these outlets. When they receive a pass, the designated coaches (or players) must pass back to a player on the same team from which they received the pass. Encourage quick puck movement, moving without the puck, lots of talking, puck protection, and taking advantage of 2 on 1 situations.
