

Western Valley Minor Hockey Association Inclement Weather Policy

From time to time the area that encompasses WVMHA will experience inclement weather that could create unfavorable driving conditions.

It is the responsibility of the coaches and parents to make decisions on the safety and protection of themselves and their player(s).

A coach in conjunction with their manager may cancel a team activity if they feel the conditions are too hazardous.

In the event the conditions cause the closure of one or more of our rinks (Berwick, Kingston, Middleton, or Bridgetown), WVMHA team management is responsible to alert their respective players.

WVMHA Board of Directors reserves the right to cancel all WVMHA activities if the RCMP warns against travel within the region. This will be done only in the best interest of the players and their families for safety.

Note: Unless the arena closes teams will be charged for their spot, unless they can pre plan a rescheduled ice time with the arena management and WVMHA ice coordinator in written correspondence.

Approved by the WVMHA Board of Directors November 13th, 2021.
